

Nature, bottled with care

The GyanAroma Collection - botanical oils for personal care and aroma

Our Story

Rooted in Coonoor.

Founded in 1958 by the late Mr. Padamchand Jain, GyanAroma has long been guided by a simple belief: nature's gifts should be cherished and valued.

From our roots in the Nilgiris, careful selection and attention to quality continue to guide the oils we offer. Respect for nature remains at the heart of this tradition.

Today, the GyanAroma collection brings together familiar botanicals, distinctive woods and soft florals for personal-care routines and everyday aroma, with clear guidance for thoughtful use.
